WHEREAS, Navajo Nation through its Navajo Division of Transportation was established to plan and develop an integrated transportation network of highways, roads, airports, railroads, and pipelines for the delivery of people, commerce, and goods within the Navajo Nation, and that is safe and in harmony with nature.

WHEREAS, San Juan County through its Department of Public Works improves and maintains a transportation system of public roadways and related structures within the unincorporated areas of the County under the jurisdiction of its Board of Commissioners.

WHEREAS, by this MOU and related agreements with the Bureau of Indian Affairs (BIA), the Nation and San Juan County wish to establish a framework for their cooperation in transportation projects of mutual interest and benefit.

WHEREAS, it is the mutual desire of the Nation and San Juan County to achieve their goals and work in harmony for the common purpose of protecting the public health, safety, and welfare of the people of the Nation and San Juan County through an improved relationship between parties.

WHEREAS, each party to this MOU respects the sovereign status of the other and wishes to establish procedures to fully implement the government-to-government relationship with respect to transportation projects of mutual interest and benefit. In recognition of the sovereign status of the Nation, San Juan County respects the continued existence of the Nation's government, values, cultures, codes, and laws.

WHEREAS, San Juan County has authority to enter into this MOU and participate in transportation projects of mutual interest and benefit with the Nation pursuant to the laws of the State of New Mexico.

WHEREAS, the Nation has authority, as a sovereign nation, to enter into this MOU and participate in transportation projects of mutual interest and benefit with San Juan County.

NOW, THEREFORE, the parties hereby agree to the following:
