- J. PROPRIETARY INFORMATION: Any restriction on the use of the information, data, contents contained within the proposals must be clearly stated in the proposal itself. Each and every page of the propriety material must be labeled or identified with the word "Proprietary." Proprietary information submitted in response to this RFP will be handled in accordance with applicable procurement regulations.
- K. PROPOSAL MATERIAL OWNERSHIP: All material submitted in reference to this RFP shall become the property of the Navajo Nation and will not be returned to the respondent. Responses received will be retained by the Navajo DOT and may be reviewed by any person(s) after the final selection has been made, subject to Section J. The Navajo DOT has the right to use any or all systems, ideas presented in this RFP, subject to limitations in Section J. Disqualification or non-selection of a respondent does not eliminate this right.
- L. INCURRING COSTS: The Navajo DOT is not liable for any cost incurred by the Respondent prior to issuance of signed contract award for services.
- M. ACCEPTANCE OF PROPOSAL CONTENT: The contents of the proposal of the successful respondent will become contractual obligation if acquisition action ensues. Failure of the successful respondents to accept this obligation may result in cancellation of the award and such respondent may be removed from consideration for future solicitation.
- N. ACCEPTANCE TIME: The Navajo DOT, in coordination with the Navajo Nation Business Regulatory Department and the Navajo Nation Office of the Controller, intends to select the successful Respondent in the time specified in Section C, after the closing date of receipt of proposals.

- O. **AWARD OF NDOT SERVICE CONTRACT:** Upon selection, Navajo DOT will establish a contract using the NN Services Contract, reviewed and approved by the Navajo Nation Department of Justice in the name of the successful respondent; and the contents of the proposal submitted by the respondent will become part of the contract. See attached sample NN Services Contract.
- P. **TAXES:** All performance under this Contract within the territorial jurisdiction of the Navajo Nation is subject to the six percent (6%) Navajo Sales Tax (24 N.N.C. 601 et seq.).
- Q. **JOINT PROPOSALS:** Nothing in this RFP shall be construed to prohibit respondents from entering a consortium for the purpose of offering a proposal in response to this RFP. Parties to a consortium will not be permitted to submit independent proposals in response to this RFP.
- R. **EVALUATION PROCEDURE AND CRITERIA:**
- a. **Review Panel:** A Review Panel, with specific related technical background, will be selected and evaluate the proposals received in accordance with general criteria used herein. The review panel may request for a meeting for purposes of proposal clarification and the respondent should be prepared to provide any additional information the Review Panel feels necessary for a fair evaluation of the proposals.
  - b. Failure of a respondent to provide any information, requested in this RFP, may result in the proposal being disqualified. All proposals must be endorsed with the signature of a responsible official having the authority to bind the respondent in the execution of a contract.
  - c. The sole objective of the review panel is to select the respondent most responsive to the needs of the Navajo Nation and the Navajo DOT. The specification in this RFP represents the minimum performance necessary for a response. Based on the evaluation criteria established in this RFP, the Review Panel will select and recommend the respondent who best meets the objective in the Scope of Work in Part II.
  - d. Each RFP will be evaluated, and points will be awarded for each criteria item as noted. Descriptions of the components are provided in Part III - Outline of Request for Proposal.
    - Qualifications and Capability.....25 points

## PART II

### PURPOSE:

The purpose of this Request for Proposal (RFP) is to select a Contractor that will complete the proposed work consisting of delivering materials to the designated locations (borrow, aggregate base course, prime coat, geogrid reinforcement and hot asphaltic pavement); providing traffic control management and devices; and installation of striping as called for in the design plans and specifications for this 1.10 mile (5829.5 foot) roadway project located in San Juan County, NM, Navajo Nation.

The Navajo DOT will complete the following:

- Provide construction management/oversight during construction.
- Provide independent assurance materials testing, as necessary.

The BIA will complete the following:

- Provide Project Management, equipment, and labor for the roadway construction activities during construction.

### SCOPE OF WORK

- The N36 Safety Project includes delivering materials to the designated locations (borrow, aggregate base course, tack/prime coat, geogrid reinforcement and hot asphaltic pavement); providing traffic control management and devices; and installation of striping as called for in the design plans and specifications for this 1.10-mile (5829.5 foot) roadway project located in San Juan County, NM, Navajo Nation.
- The proposed work consists of furnishing all labor, material, equipment and incidentals necessary for the N36 Safety Project in accordance with the specifications and design drawings. The quantities listed for each item is estimated and the Unit Price is applicable to each as given in the Bid Schedule. The final pay quantity measurements shall be rounded to the significant figures given in this bid schedule for the final pay estimate. Payment for work performed on Items furnished will be made in accordance with Section 109, Measurement and Payment of the 2019 NMDOT Standard Specifications for Highway and Bridge Construction. The Unit Bid Price must include all overhead, profit, and bonding. The Contractor will include the cost of Mobilization in the bid items provided in the bid schedule. No separate measurement or payment for Mobilization will be made.
- The BIA Shiprock Agency maintenance personnel will be supplying the equipment, labor, porta potty and overall project coordination for constructing the N36 Safety project with the support of this Contractor/Supplier. Some of the bid items are limited to providing and delivering the material to the project site as directed by the BIA Project Manager (PM).
- Delivery Schedule: The anticipated overall project construction schedule is ten (10) weeks. The Contractor shall take this overall schedule/timeframe into account when preparing bids as each location will be completed separately and in succession. The anticipated duration for each

location is shown in the bid schedule. All material will not be delivered at one time but as the project progresses. Dates, times, and quantity deliver shall be coordinated through the BIA Project Manager. Navajo DOT WILL NOT entertain any change orders due to minor variations in individual location schedules/days needed.

- Delivery Methods:
  - Base Course Material shall be delivered in belly-dump trucks, weighed with certified scales. Weigh tickets shall indicate Tare Weight, Gross Weight and Net Weight.
  - Hot Mix Asphalt (HMA) Material shall be delivered in end-dump trucks, weighed with certified scales. Weigh tickets shall indicate Tare Weight, Gross Weight and Net Weight.
- All material and work shall be completed in accordance with the Plans and the "Standard Specifications for Highway and Bridge Construction, 2019 Edition" by the New Mexico Department of Transportation.
  - [https://dot.state.nm.us/content/dam/nmdot/Plans\\_Specs\\_Estimates/2019\\_Specs.pdf](https://dot.state.nm.us/content/dam/nmdot/Plans_Specs_Estimates/2019_Specs.pdf)
- This project will utilize Tribal Transportation Program and funding administered through the Federal Highway Administration and will need to comply with Federal Regulations and Requirements. Additional safety funding was made available through the State of NM.
- See the attached NN Services Contract, Project Design Plans, Davis-Bacon Wage Determinations, Environmental Requirements & Permits and related documentation.

PROPOSAL FORMAT: Appearance of the proposal is important and professionalism in the proposal presentation should not be neglected. The proposal standards are as follows:

- The proposal shall not exceed 10 single-sided pages (maximum 8-1/2" x 11") with a minimum of 10 pt. type. If Proposer chooses to utilize 11" x 17" size sheets, this shall count as 2 pages. Submissions exceeding the 10-page limit will be considered non-responsive and will be un-rated. All pages in the proposal, including photos, charts, graphs, exhibits, letter of interest, etc. are counted toward the 10 pages. The following items do not count towards the 10-page proposal limit and shall be placed in an appendix to the proposal:
  - SF 1442 – Solicitation, Offer and Award
  - SF 24 - Bid Bond/Guarantee
  - SF 28 - Affidavit of Individual Surety
  - Affidavit of Non-Collusion
  - Proof of Certificate of Insurance
  - Statement from bonding agency
  - Statement from Insurance Carrier
  - Proof of Navajo Nation Certification
  - Acknowledgment of Addendums
- Submit one (1) original (unbound) and five (5) copies (plastic comb or wire spiral bound) of the proposal.

### Part III

## OUTLINE OF REQUEST FOR PROPOSAL

Prospective Respondent's interested in providing construction services shall submit a RFP that addresses the following evaluation criteria. The RFP shall be concise and fully self-contained; shall display clearly and accurately the capability, knowledge, experience and capacity of the Prospective Respondent to meet the requirements of this RFP; and must address the following specific criteria in the order and format indicated.

#### A. LETTER OF INTEREST:

Provide a Letter of Interest on the Prospective Respondent's company letterhead identifying the Prime Proposer and their subcontractors. Briefly summarize the Team's background and any distinguishing qualities or capabilities that uniquely qualify the Team for this project. This letter is to be signed by the president, executive director or owner of the company/organization with authority to bind the Prospective Respondent contractually. In addition, Respondent should acknowledge receipt and review of the addendum(s).

#### B. QUALIFICATIONS AND CAPABILITY:

- a. Provide a graphic organizational structure chart, clearly describing who the Prime Contractor and individuals are, as well as the roles and responsible individuals of proposed subcontractors if any. Clarify who has decision-making authority.
- b. List the key individuals to be assigned to the project together with the job descriptions, qualifications, certifications, experience and length of time with company. Provide supporting resumes and two references for each position listed below:
  - Project Manager
  - Traffic Control Supervisor
  - Quality Control Supervisor
  - Key Sub-contractors used for construction services. Key Subcontractors can be defined as ones completing any major work categories or total costs for their services add up to at least 5% of the total bid amount.
- c. Document that each individual and/or firm that is proposing to perform material delivery, general contracting and construction, and sub-contracting services, is properly licensed or registered to perform such services in the State of New Mexico. Material testing consultants must be sufficiently covered by Professional Liability Insurance and contractors must be fully bonded and insured. Provide proof of your company's Certificate of Insurance and other insurances related to this project.
- d. Provide information regarding the financial capability of the Proposed Responder to successfully undertake projects of this type. Provide statements from bonding agencies and insurance carriers.
- e. Prime Contractor shall submit a Subcontracting Plan that complies with the Navajo Nation Business Opportunity Act listing the following:

- Subcontractors and suppliers to be used by the Prime Contractor;
- Procedures used in selecting subcontractors and suppliers; and
- Subcontracts or lease agreements for equipment to be used in performance of the contract.
- For further information on the Navajo Business Opportunity Act is available at: <http://www.navajobusiness.com/pdf/DngBus/BusRegultry/Opportunity%20Act.pdf>
- For further information on the Source List- Certified Navajo Businesses is available at: [http://navajobusiness.com/pdf/SourceList/Source\\_List.pdf](http://navajobusiness.com/pdf/SourceList/Source_List.pdf)

#### C. EXPERIENCE WITH SIMILAR WORK:

Prospective Respondent shall demonstrate experience and quality of service rendered on road construction projects with similar scope, size and characteristics, especially if completed on the Navajo Nation, other Indian Reservations and rural communities. List and describe in detail at least two (2) completed projects which establish the Prospective Respondent and Team members' experience with relevant transportation projects of similar size and scope completed in the last ten years. Provide the following information for each completed project:

- Project Name and Location
- Project Owner's Name and Address; Contact Name, Email Address, and Telephone Number
- Project Scope of Work Performed
- Original Contract Award / Final Contract Award
- Project Begin Date / Original Project End Date / Final Project End Date
- Number of Contract Modification(s), descriptions, and disposition.

Navajo DOT may contact references for performance appraisal of Prospective Respondent. Failure to provide examples of related projects may result in disqualification or considered as "non-responsive."

#### D. PROJECT UNDERSTANDING AND APPROACH:

Describe your understanding of the project and approach for delivering the scope of services for the project. Discuss the major issues your team has identified on this project and your proposed approach to address these issues.

The Owner seeks the best solutions to accelerate construction and deliver the project under budget while enhancing value and quality. Describe in detail any proposed innovations your team recommends.

Describe your familiarity of constructing projects on the Navajo Nation. Emphasis is placed on the Respondent's ability to demonstrate sensitivity to Navajo cultural values, and the ability to work with the Navajo Nation and BIA governments.

#### E. LITIGATIONS, JUDGMENTS & SURETY COMPANY CLAIMS:

Have any members of the Team been involved in any litigation with a project owner, municipality or other public agency in the last ten (10) years? If so, explain the circumstances, resolution, and current status.

Have primary members of the Team (i.e. Prime Respondent, Supplier, or Subcontractor) been involved in any construction-related litigation with any project owners in the last ten (10) years? If so, explain the circumstances, resolution, and current status.

Has a surety company finished a project of or paid a claim relative to any constructor identified in the RFP within the last ten (10) years? If so, explain the circumstances, resolution, and current status.

F. CERTIFIED NAVAJO BUSINESS:

Provide proof that business is currently certified by the Navajo Nation - Business Regulatory Department and prioritized under Navajo Nation Council Resolution CAP-37-02 and also under the Section 204 (A) (1) and (2) of the revised Navajo Nation Business Opportunity Act.

G. BID SCHEDULE / PROPOSAL COST:
