PART I

INFORMATION ONLY – NO RESPONSE TO THIS SECTION IS REQUIRED

- A. This Request for Proposal (RFP) provides the prospective respondents with sufficient information that will enable them to prepare and submit a proposal for consideration.
- B. This RFP contains the instructions governing the proposals to be submitted and the materials to be included. These are mandatory requirements which must be met to be eligible for consideration. Failure to adhere will result in a “Non-Responsive” Status.
- C. SCHEDULE OF ACTIVITIES AND TIMELINES:

Schedule of Activities	Timelines
Prospective respondents “Inquiry Timeline.” All inquiries and questions will be answered prior to this date. Questions must be submitted in writing only. If needed, an Addendum will be issued to all vendors who requested for a copy of the RFP to ensure they all received the same information. No questions accepted after this date.	Friday March 3, 2023, at 5:00 p.m.
Due date for all proposals	Friday, March 9, 2023, at 3:00 p.m.
Bid Opening of proposals and evaluations by the Review Panel	Week of March 13, 2023
Award of Contract – It takes at least six to eight weeks to process a contract.	By May 2023

- D. INQUIRIES: Prospective respondents may contact Navajo Division of Transportation (DOT) – Department of Roads staff via phone call or email in reference to this RFP in obtaining clarification of requirements. No inquiries will be accepted after the inquiring date listed in Section C.
- E. ADDENDUM OR SUPPLEMENT TO THIS REQUEST FOR PROPOSALS: In the event it becomes necessary to revise any part of this RFP, an addendum will be issued. Any respondents that already submitted a proposal will be notified.
- F. PROPOSALS SUBMISSION: Proposal must be received on [Friday, March 9, 2023 by 3:00 p.m. Mountain Standard Time \(M.S.T\)](#). Respondents who are mailing their proposals should allow sufficient time for mail delivery to ensure receipt by the time specified. If mailed, it is recommended that proposals be sent by certified mail to the address indicated on the [Page 2](#) of this RFP.

NUMBER OF PROPOSALS TO BE SUBMITTED: In the submission of all proposal, one original and three (3) copies must be enclosed in one sealed envelope. The outside of the envelope should be clearly marked with 1) Respondent’s Contact information, and 2) the [Bid Number # 23-02-2958LE “Load Deliver and Place Concrete Aggregate and Red Dog.”](#)

- G. **LATE RECEIPT OF PROPOSALS:** Late proposal will not be accepted. It is the responsibility of the respondent to ensure that the proposal arrives at the Navajo Division of Transportation – Department of Roads on or before the date/time specified.
- H. **REJECTION OF PROPOSALS:** The Navajo Division of Transportation (Navajo DOT) – Department of Roads reserves the right to reject any or all proposals and to waive informalities and minor irregularities in the proposals received.
- I. **PROPRIETARY INFORMATION:** Any restriction on the use of the information, data, contents contained within the proposals must be clearly stated in the proposal itself. Each and every page of the propriety material must be labeled or identified with the word “Proprietary.” Proprietary information submitted in response to this RFP will be handled in accordance with applicable procurement regulations.
- J. **PROPOSAL MATERIAL OWNERSHIP:** All material submitted in reference to this RFP shall become the property of the Navajo Nation and will not be returned to the respondent. Responses received will be retained by the Navajo DOT – Department of Roads and may be reviewed by any person(s) after the final selection has been made, subject to [Section J](#). The Navajo DOT – Department of Roads has the right to use any or all systems, ideas presented in this RFP, subject to limitations in [Section J](#). Disqualification or non-selection of a respondent does not eliminate this right.
- K. **INCURRING COSTS:** The Navajo DOT – Department of Roads is not liable for any cost incurred by the Respondent prior to issuance of service contract or a purchase order.
- L. **ACCEPTANCE OF PROPOSAL CONTENT:** The contents of the proposal of the successful Respondent will become contractual obligation, if acquisition action ensues. Failure of the successful Respondents to accept this obligation may result in cancellation of the award and such respondent may be removed from consideration for future solicitation.
- M. **ACCEPTANCE TIME:** The Navajo DOT – Department of Roads, in coordination with the Navajo Nation Business Regulatory Department and the Navajo Nation Office of the Controller, intends to select the successful Respondent in the time specified in [Section C](#), after the closing date of receipt of proposals.
- N. **AWARD OF SERVICE CONTRACT:** Upon selection, Navajo DOT – Department of Roads will initiate the Service Contract and License Agreement in the name of the successful respondent; and the contents of the proposal submitted by the respondent will become part of the contract.
- O. **JOINT PROPOSALS:** Nothing in this RFP shall be construed to prohibit respondents from entering into a consortium for the purpose of offering a proposal in response to this RFP. Parties to a consortium will not be permitted to submit independent proposals in response to this RFP.
- P. **EVALUATION PROCEDURE AND CRITERIA:**

- a. Review Panel: A Review Panel, with specific related technical background, will be selected and evaluate the proposals received in accordance with general criteria used herein. The review panel may request for a meeting for purposes of proposal clarification and the respondent should be prepared to provide any additional information the Review Panel feels necessary for a fair evaluation of the proposals.
- b. Failure of a respondent to provide any information, requested in this RFP, may result in the proposal being disqualified. All proposals must be endorsed with the signature of a responsible official having the authority to bind the respondent in the execution of a contract.
- c. The sole objective of the review panel is to select the respondent most responsive to the needs of the Navajo Nation, Navajo DOT, and the Department of Roads. The specification in this RFP represent the minimum performance necessary for a response. Based on the evaluation criteria established in this RFP, the Review Panel will select and recommend the respondent who best meets the objective in the Scope of Work in Part II.
- d. The Technical Proposal Factors will be used to evaluate the proposal(s) based on a 100 points-scale system, with 10 additional points for Navajo Nation Priority #1 Businesses, and five (5) additional points for Navajo Nation Priority #2 Businesses.

- Q. Per the NAVAJO NATION PROCUREMENT CODE, 12 N.N.C., Section 332, Letter “e”, in the event all proposal in a Procurement exceed available funds by 5%, a re-solicitation for work or a reduced scope may be authorized.
- R. STANDARD CONTRACT: Navajo DOT will use the template Service Contract reviewed and approved by the Navajo Nation Department of Justice.
- S. RETURN PROPOSAL: The Navajo Nation and Navajo DOT has no obligation in returning any of the proposal received in response to this RFP.
- T. TERM: The term of the Service Contract will be a period of one year from the date of *Notice to Proceed*, with an option to renew the contract for continued services, which will be based upon the availability of funds. Renewal of the contract will be made only upon mutual agreement of both parties.

- U. COMPLIANCE WITH THE NAVAJO NATION BUSINESS OPPORTUNITY ACT: Proposal will be opened and evaluated in compliance with the Navajo Nation's Business Opportunity Act, 5 N.N.C., Chapter 2, and Subsection 201 – 215 and the Navajo Nation Procurement Rules and Regulations.

PART II

SCOPE OF WORK

Vendor to provide at a minimum 4 **belly dump trucks** with drivers and a wheel loader to load, deliver and place approximately 10,000 tons of crushed concrete from the Kayenta/Peabody (Arizona) mine to the local community and 10,000 tons of chip seal aggregate to six project locations within Navajo Nation.

CONCRETE AGGREGATE:

Concrete material is crushed and stockpiled at the Kayenta/Peabody Mine. Material shall be loaded onto belly dump trucks located near the northern edge of the Black Mesa plateau in northeast Arizona, delivery shall be to local community routes within the mine area. No scale house is available, each load will be estimated at 20 tons each.

Existing routes shall be bladed and shaped to 20' to 24' width including 2% super elevation left and right and compacted, concrete shall be placed at 3" depth on the new typical section. All routes shall be open to two-way traffic over night and when no work is in progress.

Traffic Control shall be incidental to the work, contractor to provide a Traffic Control Plan for approval at least two weeks prior to the haul.

CHIP SEAL AGGREGATE:

Chip Seal aggregate shall be delivered to six project locations as follows:

Sanostee N5012, Ganado N151, Blue Canyon N9073, Whitecone N9062, and Jeddito N9101.

All work shall be scheduled through the Navajo Division of Transportation, Department of Roads Manager who will oversee the administration and progress of the contract. Material quantities and delivery shall be scheduled and stockpiled in areas designated by the Department Manager.

Vendor must attain MSHA training from the mine for each employee involved in this project. Trucks and trailers may be subject to weekly inspection by the mine's safety office.

The haul will be in part on primitive earth roads, a mechanic must be available to keep trucks in workable condition.

An NDOT archeologist may be on sight to monitor if any cultural conditions are encountered during operations. If so, the vendor will be required to halt operations until archeological mitigation is concluded.

Water for construction shall be the responsibility of the contractor.

Applicable Davis Bacon wages shall apply to this contract, contractor to provide payrolls for verification of Davis Bacon Wages

NOTE: All material will not be delivered at one time but as the project progresses. Dates, times, and quantity deliver shall be coordinated through the Navajo Division of Transportation (Navajo DOT) Roads

Manager. Unexpected delays such as COVID 19 or others may cause a delay on the work, the vendor must understand unexpected delays may impact progress schedule.

Part III

FORMAT AND ORGANIZATION

Requirements: This section of the RFP specifies the format and organization of the proposal (not listed in priority or in any order).

- A. NUMBER OF COPIES: Submit an Original and three (3) copies of proposal.
- B. PROPOSAL FORMAT: Appearance of the proposal is important and professionalism in the proposal presentation should not be neglected. The proposal standards are as follows:
 - a. The proposal shall not exceed 10 single-sided pages (maximum 8 1/2" x 11"). Submissions exceeding the 10 single-sided page limit will be considered non-responsive and will be unrated. All pages include dividers, proposal, photos, charts, graphs, exhibits, letter of interest, etc. are counted toward the 10 pages.
 - b. Proposals submittal should be plastic or metal spiral-bound only. **Please do not submit loose paper, these will be considered unresponsive and will be unrated. No folders required, just spiral-bound proposals.**
- C. LETTER OF INTEREST: Letter of Interest must be on a Company Letterhead and signed by the president, executive director or owner of the company/organization.
- D. PROOF OF CERTIFICATE OF INSURANCE: Provide a copy of Certificate of Insurance and other certifications required in Arizona.
- E. PROFESSIONAL LICENSE: License(s) required to meet the requirements of the Arizona State Transportation and Trucking Regulations.
- F. SCOPE OF WORK: Respondent's approach to the scope of work, includes the following:
Vendor to provide at a minimum 4 belly dump trucks with drivers and a wheel loader to load, deliver and place approximately 10,000 tons of crushed concrete and 40,000 tons of Red Dog material from the Kayenta/Peabody (Arizona) mine to the local community and 10 Chapters in the Kayenta mine area.
- G. COMMUNICATION: Describe communication methods with Navajo DOT about gravel and gravel delivery process.
- H. REFERENCES: List two references that your company has load, delivered Red Dog Material for. Be sure to provide name, title, company name, address, phone number, and email address. See sample attached.
- I. CERTIFIED NAVAJO BUSINESS: If claiming Navajo Business Owner, **provide proof that business is currently certified by the Navajo Nation - Business Regulatory Department and**

prioritized under Navajo Nation Council Resolution CAP-37-02 and also under the Section 204 (A) (1) and (2) of the revised Navajo Nation Business Opportunity Act.

- J. TAXES: All performance under this Contract within the territorial jurisdiction of the Navajo Nation is subject to the six percent (6%) Navajo Sales Tax (24 N.N.C. 601 et seq.).

BID FORM / PROPOSAL COST: In a **separate sealed envelope**, clearly marked as “**BID FORM 23-02-2958LE, Concrete aggregate and Chip Seal Aggregate.**” and with Respondent’s information. The sealed envelope will not be opened by the Review Team until after the proposals have been reviewed and ranked. **If your bid is not in a separate sealed envelope, then your proposal will be considered non-responsive and ineligible for further evaluation.**

End of RFP.
