

# BAUER'S OBSTLER

"Bauer's Obstler is a mix of fully ripened Austrian apples and pears that are fermented and distilled twice, creating a white brandy that is full of fruit flavors. The apple and pear flavours are immediately present in the mouth; the Obstler is down-to-earth and clear in character. The brandy spreads freshness and fruitiness on the palate"

A very versatile spirit that can be enjoyed chilled, mixed or simply as an after dinner sipper. The Bauer's Spirit line embodies German and Austrian Tradition. Capturing the unique tastes and experiences from local delicacies. Our packaging is simple with a touch nostalgia.
