

QUINTA DE S. SEBASTIÃO

SINCE 1755

JANELA BRANCA

To face these tough times, where we've been all forced to watch the real world through the window, we open to you our white window ("Janela Branca") of hope that soon we'll be free to show you the best of Portugal again. For now, we give you to taste the expressive aroma of Lisboa, from this elegant wine made from Syrah, Castelão and Tinta Roriz varieties, very fresh and fruity, well balanced with the spicy notes acquired by the partial oak ageing.
