

WEINGUT JÜLG

VOM KALK RIESLING

ABOUT

The upscale entry with plenty of drinking flow! This quality already shows the terroir and our unmistakable signature. Riesling is mainly grown on lime-dominated soils and impresses with its rich, fresh character.

TASTING NOTES

Complex, elegant and wild on the nose. A fruity, seductive bouquet of young peach, some melon and gentle citrus notes. The palate offers the stage for noble, subtle fruit in combination with a fresh, wonderfully integrated acidity.

FOOD PAIRINGS

Spicy food, seafood, poultry, white meat, roasted vegetables and desserts.

VINIFICATION

Hand-picking only the best grapes, gentle processing and spontaneous fermentation in stainless steel tanks without any fining.
