**Winemakers Notes:**

This 90/10 blend of these two zesty varietals, made in a fruit-driven style, offers crisp citrus and opulent tropical flavours with a slight green capsicum finish. Fresh acid and lively fruit make this light straw coloured wine an absolute favourite for all occasions.

**Pairings**

It is an excellent partner to any lighter style dish (aperitif's, salads and most seafood) but is also the perfect wine to enjoy on its own.
