

JACOB'S CAB

2020 CABERNET SAUVIGNON

Varietal 100% Cabernet Sauvignon

Region Stellenbosch, South Africa

Vineyards These grapes were selected from one of the finest vineyards within the Stellenbosch wine region. The proximity of the Atlantic ocean creates a unique terroir for these dynamic grapes!

Winemakers Notes: Catherine Marshall

A wonderful wine that has been aged for 18 months, in small French oak casks. Aromas with a ripe core of plums, black currant, and black cherry notes are supported by cedar tannins and a long mineral texture. Smooth and full in the mouth giving a rich core to this wine. This wine will mature gracefully for another 10+ years if cellared correctly

Pairings Compliments most red meats: roasts, stews, steaks, venison, and ostrich just to men on a few. Truly a divine wine on its own and just as enjoyable with fine food! Best served at 18° C/65° F

Accolades 2019 vintage - Platter's Guide 4*
