

MIRADOURO DA VINHA

PORTUGUESE RED BLEND

Description

On one of the highest peaks of our property, there's a very special place called Miradouro da Vinha, a viewpoint over our lovely vineyards. Miradouro da Vinha is located about 240 meters high and has a privileged view of the Tagus river.

Our belvedere enchants those who dare to climb the steep slopes of our vineyards. In this very special place, we have an almost perfect view of all our vineyards and landscapes that makes us immerse in the beauty and history of this region.
