2022 OLD VINE CHENIN BLANC

Varietals

100% Chenin Blanc

Region

Stellenbosch, South Africa

Vineyards

40-year-old Chenin Blanc vineyard north and east-facing slopes with a world-class reputation. Grown on a combination of deep clay soils and bush vines on laterite soils.

Winemakers Notes: *Catherine Marshall*

This elegant wine is bright, clean and full-bodied. Spending 7 months in small French oak barrels and receiving the age-old practice of batonage. The aromatics of sweet cantaloupe, nectarine with an underlying of nutmeg round out the bouquet. A flintiness with roasted hazelnut, ginger, orange blossoms, finishing with a racy lemon verbena on the palate. This wine is Vegan friendly.

Pairings

This wine compliments a wide variety of fish, light spice and Mediterranean, Indonesian & Japanese dishes but also drinks excellently on its own. Best served at 10°C/50°F
