The dedicated team of Weingut Esterhazy brings international experience and great passion for viticulture and enology together on the highest level. Esterhazy interprets the unique, distinctive heritage and centuries-old tradition of the estate in a way that keeps it current- an approach that is regularly validated and confirmed by the numerous awards and accolades Esterhazy receives, both domestic and international. Wine-growing has been in the House of Esterhazy for more than 250 years, and it has evolved to today's standard with the opening in 2006 of the new winery, with its state-of-the-art equipment and presentation rooms near Eisenstadt.
