

# LÖST EDEN

## FROM THE BIRTHPLACE OF WINE

AN EXQUISITE RED BLEND MADE FROM THE SAPERAVI  
GRAPE, A DELICATE VARIETAL SIGNATURE TO THE  
COUNTRY OF GEORGIA

Lost Eden Wine is made by 11th generation winemaker Lado Uzunashvili – an internationally recognized and prominent Georgian winemaker who also trained in both France and Australia. The wine celebrates modern winemaking practices with a nod to Georgia's traditional Qvevri vessels and is a blend of the Georgian native grape, Saperavi, farmed from several prestigious vineyards.

Vegan, Sustainable, Family Owned, 11th Generation Winemaker, Winemaking Origin

### TASTING NOTES

Fragrant with aromas of mulberry, cherry and blackberry with overtones of wild violet flowers. Distinct for its deep, midnight purple color and crimson highlight, the taste on the palate is smooth and silky, with layers of black fruit that will evolve with age. The finish is bright and memorable, as pure as the famous garden where it was first discovered.

### FOOD PAIRINGS

Pâté, roasted potatoes, ham, cheeses, sausages, Spaghetti, bean soup, salads, sandwiches and cold meats.

### FEATURES

COUNTRY | Georgia
