ST. CHRISTOPHER

A TRADITIONAL GERMAN WINE EXPERIENCE SINCE 1992

The St. Christopher wines are comprised of some of the most exciting, unique, and highest-quality wines in the world. St. Christopher offers highly rated Mosel wines like the Piesporter Goldtröpfchen and Michelsberg and old German classics like Zeller Schwarze Katz. With wines ranging from Gewurztraminer to Gluhwein, we are sure you will find the perfect wine for any occasion with St. Christopher.

St. Christopher was founded in 1992 with the single goal of producing, bottling, and introducing the wines of Germany to the world of wine. The name St. Christopher stems from the Catholic Saint who is regarded as the guardian of travelers. Wine today, is an international conversation, bringing us closer to all cultures. By tasting and sharing wines we are connecting with people, earth, and history.

The St. Christopher project started in 1992 as a collaboration between Manfred Bauer and Gunther Schlink with the idea of sourcing the best Germany has to offer under one brand. The wines are sourced from contract growers across 5 different German wine growing regions.
