Tasting Notes:

“Slate and river rocks shine along the ripe juicy melon and tangerine flavors in this zesty delicately textured Riesling...The finish is moderately long, marked by a pleasantly waxy mineral undertone.”

Wine Notes:

“20 year old vines planted on the south facing hillside slopes along the Mosel River. The Blue Slate Soil and steep vineyards of the Piesporter Goldtröpfchen is known as one of the worlds greatest vineyard sites for Riesling. The grapes are hand harvested in the beginning of the picking season when the grape has developed but not completely matured. Stainless steel fermentation. Drink now through 2021.”
