

ST. CHRISTOPHER

Piesporter Goldtröpfchen Riesling

Auslese

VINIFICATION:

The St. Christopher Wines are sourced from small contract growers encompassing a total of 20ha. All wines are hand-harvested, machine sorted, and then made in stainless steel tanks. Temperature controlled fermentation with selected yeast.

VINEYARD:

The grapes are hand-harvested at the point of "Auslese" - Also known as Select Harvest. These Single Vineyard Rieslings have fully matured and are sometimes affected by Botrytis - Noble Rot. These highly complex, highly concentrated wines almost always have a very low yield.

TASTING NOTES:

"Purity and precision abound in this exceptionally light-footed sweet Riesling. It's buoyantly fruity, bolstered by waves of ripe white peach, pear, and yellow plum flavors. The finish feels edged by a fine filigree of lime acidity. Drink now through 2030 to capture its youthful exuberance."
