

EIN LITER

Curvée RED

TECHNICAL SHEET

Aromas of ripe sour cherries, blackberries, and subtle spice. On the palate, it's smooth with soft, full tannins and pleasantly soft acidity, creating a well-balanced, easy-drinking wine. The juicy fruit flavors are complemented by a touch of spice, leading to a clean, refreshing finish. Pairs well with grilled meats, roasted vegetables, sausages, hearty pasta dishes, soft cheeses like Brie or Camembert, and charcuterie, as well as tomato-based dishes like pizza or lasagna.
