## GIVEN TO CHARITIES

Giving back is a core part of Premiere Property Group's company culture. Donations to our Circle of Giving fund come from our generous agents, staff, and service providers. 100% of each donation to Circle of Giving goes to the supported programs listed below. Premiere Property Group provides all administrative and staff support so that we can use ALL funds to give back to our community and those in need!

### QUARTERLY CHARITY RECIPIENTS

We partner with local non-profits within each of our service areas and encourage support through donations to Circle of Giving, item donation drives, and organized volunteer activities.

### FAMILY ASSISTANCE

Grants are distributed to our agents, employees, and their immediate family members experiencing financial hardship due to an extenuating circumstance.

### DONATION MATCHING

Matching contributions are given on behalf of our agents and employees to maximize the monetary gifts they donate to 501c3 organizations.

## REFERRAL REWARDS PROGRAM

Our success is our agents' success through our income-sharing program. Premiere Property Group offers an Agent Referral Bonus Program for agents who want to contribute toward the company's continued growth while earning generous monthly residual rewards. When agents they refer join PPG, they earn 10% of the annual or split plan brokerage fees those agents pay just for being their sponsor! This extends even further, as they also earn 10% on the agents that those agents refer, up to four levels deep.

Refer a few agents occasionally, or make it part of your real estate retirement plan. Many PPG agents are paid more in referral fees than they pay the company annually, and ongoing rewards are available even after retirement.

### KEY FEATURES OF THIS GENEROUS PROGRAM INCLUDE

- Monthly payouts are based on the previous month's commission from referred agents.
- Associates who stay with PPG for five continuous years can continue participating in the Agent Referral Bonus Program even after they retire.

## WHY AGENTS JOIN US

## COST SAVINGS VS OTHER BROKERAGES

At Premiere Property Group, we want talent, experience, and energy. We are not after our agents' hard-earned commissions. At PPG, we help our brokers save every day. We keep desk fees low—less than half of competitive brokerages—while offering top-of-the-line marketing, as well as business support and strategies.

The typical real estate agent could save 40% to 50% on brokerage fees with PPG. Multiple-agent or spouse teams can save up to 75% compared to the typical national franchise brokerage fees and splits. Teams pay an even smaller amount per agent for their additional members while gaining tremendous value.

That is why at Premiere Property Group, we have a dedicated On-boarding Team to support both newly licensed agents and transferring agents every step of the way. After all, when we have on-boarded well over a thousand agents while studying the transition process with an eye for improvement, we are incredibly efficient at this process.

## NO UP-FRONT COST

Cost is paid through a commission split.  
You don't pay until you're successful!

## TERESA COON

*"When I first came to Premiere Property Group over ten years ago some of my clients asked me if I was working more in the Luxury Property range because I joined a 'Premiere' real estate company. Recently I ordered new flyers for a listing of mine. My seller's response to the new high gloss luxury style flyers was 'these are the nicest property flyers and marketing I have ever seen.' Then another broker came through my listing and said 'Wow! Where did you get these flyers?'. If you want to up your game, impress your clients past and future, you might consider joining PPG where the tools they offer will set you apart. Being able to help more people ultimately means more income for you. You don't have to work harder, just smarter. The choice is yours."*

The commitment to the Realtor Code of Ethics, mentorship program, and access to ongoing meetups and classes are just some of the reasons why I'm proud to stay. *"Have you ever felt overwhelmed? I had a listing which needed to go live that day and no time to create flyers and any marketing. I was stressing out big time and decided to take the plunge and try the new PPG MARKETING platform. Talk about a breeze. I was able to navigate the online ordering system in minutes and order flyers, 2 page brochures, home square cards & just listed and just sold postcards. Now I can focus on marketing my listing on social media and also work on actually selling the home."*
