

Vision & Mission

Advancing Neurodiversity, Building Community

Inclusive Together fosters a community that embraces and celebrates neurodiversity. Through education, advocacy, and support, we strive to promote understanding, acceptance, and inclusion for individuals of all abilities.

Vision

By advancing neurodiversity acceptance and promoting inclusive practices, we aim to create a more compassionate and equitable community where everyone feels valued and has the access to thrive.

Mission

We are dedicated to educating and empowering the community to create meaningful opportunities for neurodivergent individuals across various aspects of community life.

Core Pillars

Community Engagement & Awareness

Holding awareness opportunities with various community stakeholders (schools, businesses, & local organizations) is essential to foster a supportive environment for neurodivergent individuals and their families.

Inclusive Spaces & Places

Collaborating with stakeholders to ensure that public spaces, recreational facilities, schools, and workplaces are safe, meaningful and accessible to everyone.

Family Support Services

Providing comprehensive support services for families navigating the complexities of special education and therapy options is crucial.

Inclusive Community Opportunities

Creating inclusive recreational activities, cultural events, and social gatherings where individuals of all abilities can come together, interact, and celebrate diversity.
