NO MEETING – July 22, 2020

Program: No Meeting - Looking for a New One

**Royal Colombian Retirement Inn
5615 W Umatilla Ave., Kennewick**

**Want to improve your stamp collection?
This tip will make you a better philatelist.**

Tell the world

Don't keep your collection to yourself, let the whole world now you're a philatelist. Family, friends and fellow collectors can be an invaluable tool when forming your collection.

Chances are they'll think of you every time they see a stamp from now on, so ask them to save any that might be a good addition to your album. They may even point you in the direction of a world-class rarity that you've been seeking, or buy you a prize stamp as a gift (but only if you've been good).

Updates

Existing Articles

Club History in the form of caches that have been issued over the years.

If you have a problem viewing them, please let the Editor know and he will either help you or fix the problem.

New Members

How can we get new members, especially young people. It has been suggested that we spend the time and some money and put together albums to give away to start school kids collecting.

Does anyone have suggestions about how we can go about doing this? **Still looking for suggestions!!** Received an article but it contained no specific actions.

2020 Dues Are Due: Dues are still just \$10.00 per year, or \$1.00 for youth. If you can't remember whether you've paid for this year, you can ask our treasurer, Margaret Dunn, at our next meeting, or you can email her at medunn07@gmail.com.

2020 Programs: If anyone would like to present a program at one of our 2020 meetings please contact me. I will post it on the website. We are also open to suggestions for presentations by others outside the club.

What Do We Collect

What club members collect can be seen at the club website www.tri-citiesstampclub.org or email us at tricitystampclub@gmail.com and we will put you in touch with a member that collects similar stamps.

Lets take a trip in our own state: Space Needle: Seattle, WA

The Space Needle in Seattle, Washington was built for the 1962 World's Fair whose theme was "The Age Of Space"- during the time of the "Space Race" and just a few years before the moon landing in 1969.

This stamp, printed in 1962 was to commemorate the World's Fair and the newly-built Space Needle- which is now an iconic part of Seattle's skyline.
