

Job Description: School Resource Officer

TITLE: School Resource Officer
DEPARTMENT: Administration
REPORTS TO: Lieutenant of Administration

GENERAL SUMMARY

This is primarily a professional position with technical duties and responsibilities. The position requires diversified duties and responsibilities demanding the use of numerous and various types of procedures. This position is a sworn law-enforcement position. The central mission is to keep order on campus with the legal authority to arrest, if necessary. Able to differentiate what constitutes a crime and what incidents are school conduct violations. Requires judgment in the analysis of facts and their application(s) to regulation(s) to determine a proper course of action. This position requires interpersonal contact both within and outside the organization, which requires considerable tact and persuasion to obtain consent or approval. Works toward previously defined objectives with general supervision and within operating procedures. Plans and executes own work, referring new and unusual cases to a supervisor and requires the ability to work independently. The position has frequent exposure to risk situations; the impact of the incumbent's decision(s) minimally affect the operation of the organization. The worker may be exposed to danger with potential for bodily injury or even death to acts of aggression on the part of others or to exposure to disasters such as fires, explosions, etc. Work involves moderate physical strain and requires some strength and endurance.
