

**CONSENT TO RECEIVE ELECTRONIC COMMUNICATION/INFORMATION
UPDATE/EMERGENCY CONTACT UPDATE**

State Statute 718.111(12)(a)(7) requires the association to maintain "A current roster of all unit owners and their mailing addresses, unit identifications, voting certifications, and if known, telephone numbers. The association shall also maintain the e-mail addresses and facsimile numbers of unit owners consenting to receive notice by electronic transmission..."

F.S.718.111(12)(c)(5)(e) "...an association may print and distribute to unit owners a directory containing the name, unit address, and all telephone numbers of each unit owner. However, an owner may exclude his or her telephone numbers from the directory by so requesting in writing to the association."

In a continuing effort to make communication with the unit owners more efficient and convenient, we would like to offer the opportunity for receiving electronic communications, as permissible under the F.S. Chapter 718. As the statute(s) changes periodically, there may be restrictions on what we can send you electronically. Please note that the newsletter has the option to unsubscribe as desired for your convenience. Your email address will not be included in the public directory.
