

International Harvester Collectors Ohio Chapter 6 Youth Tractor Restoration Contest-Invitation

33rd ANNUAL RED POWER ROUND UP

JUNE 23-25, 2022

CLARK COUNTY FAIRGROUNDS

SPRINGFIELD, OHIO

Dear Advisor:

The goal of this letter is to provide awareness of our Ohio Chapter 6 Youth Tractor Restoration contest, which will be part of the national level 33rd Annual Red Power Round Up tractor and equipment show to be held in Springfield, Ohio June 23-25, 2022. Ohio Chapter 6 will be hosting this event and we hope a few of the youth under your leadership will take advantage of this educational opportunity. It also provides a chance for recognition for good work along with cash prizes.

As a result of this contest, we hope to spark interest in young people to collect and preserve antique farm equipment for the future (...especially International Harvester of course!), picking up from where some of us old guys leave-off, somewhere down the road.

Guidelines and entry forms are attached to this letter or can be found on the Ohio Chapter 6 website at www.ihc-oh6.com or the 33rd Annual Red Power Round Up site at www.rpru2022.com. The website will have information on the International Harvester Collectors Club with chapters in several states and foreign countries.

Questions can be directed to myself as chairperson of this committee or to Kevin Paul or Will Yapple co-chairs of the 33rd Annual Red Power Round Up. Our phone numbers and e-mail addresses appear below.

Derek Thomas: Chairman Youth Tractor Restoration
