

**Family & Community Service of Delaware County (FCSDC)
Emergency Food Home Delivery**

In response to the COVID-19 pandemic, in collaboration with County officials, FCSDC has set up home delivery of food boxes for low-income Delaware County residents who are quarantined due to exposure, symptoms, or infection or who may be at greater risk leaving their homes due to age or underlying health conditions and have no other means of getting food. Referrals are accepted from medical providers, social workers, case managers, and other service providers.

Each food box contains canned goods and dry goods and is equivalent to approximately 15 meals.

REFERRAL PROCESS

1. Determine patient/client eligibility (please note change in eligibility requirements)

- Is the individual a resident of Delaware County? YES/NO
- Is the individual under quarantine due to COVID-19 exposure, symptoms, or infection or at greater risk leaving their home due to age or underlying health conditions? YES/NO
- Is the individual considered low-income? YES/NO (see chart below for income guidelines)
- Do you have the permission of the individual to provide the required referral information to FCSDC? YES/NO
(If you answered YES all of the above questions, the individual is eligible)

Please note: If there is a family member, friend, or neighbor who is able to access a food pantry on behalf of the individual, referral to a food pantry rather than home delivery may be appropriate (see food pantry list on pages 2 and 3).

2. If eligible, email the following information to COVIDfood@fcsdc.org

- Client name:
- Home address:
- Phone number:
- Number of people in the household:
- Approximate household income:
- Referred by:
- Referral contact phone number: (we will only contact you if we are unable to contact the client)

3. A FCSDC staff person will contact the individual by phone to arrange a delivery day and time?

4. The FCSDC staff person will coordinate delivery with volunteer drivers provided through the County.

*FCSDC staff and drivers will follow no-contact, social distancing precautions.
