

Give HOPE—Donate a Solar Oven this Christmas

Give HOPE—a different kind of gift—this Christmas season. Solar Oven Partners offers real alternatives to the give-and-get craziness of Christmas commercialization. Take the Give Hope brochure with details on how to honor a family member or colleague with a gift that keeps on giving. Hand a brochure to family members with a hint that you would like a donation to Solar Oven Partners as your gift. Learn more at <solaroverpartnersumc.org>.
