### About Us

208 Recovery is a 501(c)(3) nonprofit organization dedicated to supporting individuals and families impacted by substance use and mental health challenges. We provide peer-driven recovery support, advocacy, and access to resources that promote long-term healing, hope, and connection. In 2025, we're opening the 208 Recovery Community Center in Coeur d'Alene, offering accessible peer support services, reentry assistance, volunteer opportunities, group support, and recovery education programs. Our goal is to be a beacon of hope and a safe, welcoming space for anyone seeking support.

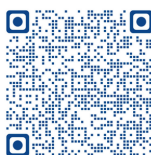

### Why Sponsor?

Break the stigma surrounding addiction and mental health. Support local recovery programs that save lives and restore families. Unite our community under one cause—hope and healing. Strengthen organizational sustainability for multiple nonprofits working together.
