

# SHIPPING POLICY

We need 2 business days to process any order received, Monday through Friday. Orders will be shipped via USPS priority mail. You will receive a notification at that time with a tracking number. If you did not receive a tracking number, check your spam folder.

Orders are shipped with documentation including Nowak Farm Hemp Growers License, Pre-harvest certificate of analysis, and Notice to Law Enforcement.

Nowak Farm is not responsible for any order that is stolen outside the customers' address, lost in transit, not delivered, or seized. The risk of loss and title for any items you purchase from us pass to you upon our delivery to a carrier. Occasionally a package will be delayed in transit. If this happens, please contact USPS.
