The first diagnosis building benefit rider provides a lump-sum payment in addition to the coverage amount when you are diagnosed with a covered critical illness or invasive cancer (including all breast cancer). This benefit is for you and all your covered family members.

First diagnosis building benefit

Payable once per covered person per lifetime

- **Named insured** Accumulates \$1,000 each year
- **Covered spouse/dependent children** Accumulates \$500 each year

The benefit amount accumulates each rider year the rider is in force before a diagnosis is made, up to a maximum of 10 years.

If diagnosed with a covered critical illness or invasive cancer (including all breast cancer) before the end of the first rider year, the rider will provide one-half of the annual building benefit amount.

Coronary artery disease is not a covered critical illness. Non-invasive and skin cancer are not covered cancer conditions.
