- Teacher aid & supplies
- Assemblies
- School Newsletters

Workshops/Programs

- Visionary Workshops for kids, teens, and teachers/adults.
- Organized sports and team-based games/activities
- Nutritional Education
- Partnership Opportunities

CASH FLOW

We want A worthy Cause to be a platform for the community. Money will be raised through community event organization and fundraising strategies; 20% of net revenue per event will be automatically taken out to be donated straight back into the community via the people's choice. We would like to host online polls and other means of voting for the community to have a say on where the money goes.

The remaining 80% will be strategically broken down and recycled back into the non-profit for means of funding other community projects/workshops, business development, and employment compensation.

*A Worthy Cause Inc is a registered 501c3 non-profit.
