LESSON 1

The Least of These

Getting Ready

Dear God, open our hearts and our ears to the needs that surround us. Amen.

What You Need

Bible, pen

Study

Did you know that one in ten children don't have enough to eat or know where their next meal is coming from? How many of us are together today? If there are twenty of us that means two of the people here would represent children who do not have enough to eat.

Have you had any experience with people who don't have enough food or enough clothes? Share those stories with all of us!

When Jesus was teaching his disciples, he said to them in the gospel of Matthew chapter twenty-five verses thirty-five through forty:

35 *For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, 36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.' 37 "Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? 38 When did we see you a stranger and invite you in, or needing clothes and clothe you? 39 When did we see you sick or in prison and go to visit you?' 40 "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'*

**Question to Think About**

What do you think Jesus was trying to teach his disciples?

Jesus has a really special place in his heart for all of the children who don't have enough to eat and who don't have clothes to wear. He wants us to have a special place in our hearts for those people too. If we have enough food and clothes, he wants us to share what we have with those who don't have enough.

**Reflection**

Sometimes we get caught up in our own lives, in our wants and our needs, and that we forget to open our eyes to the people who are around us in need. What do you think Jesus meant when he said whatever you did for the least of these brothers and sisters, you did for me?

**Response**

Who are our neighbors in need? How can we help them?

LESSON 2

Cool, Clean Water

*Reservar las
aguas para no
contaminarlas.*

El agua 
es vida y salud.
¡Cuidémosla!
