WOMAN WITNESS

EMPOWERING WOMEN TO SPEAK
AND WRITE WITH TRUTH

We aim to introduce ourselves. While we've already met many of you, we eagerly anticipate meeting others. Through this newsletter, we will showcase some of the women who have recently contributed at the well and those who will soon do so. Take the opportunity to connect with your fellow sisters and explore potential collaborations! This is just the start of an exciting journey! Welcome to The Well!

Introducing Woman Witness!

We are excited to introduce to you our new platform of Women of Faith, dedicated to empowering and connecting women who are making a positive impact in their communities and traveling their spiritual journey. Our platform aims to provide inspiration, support, and resources for women seeking to deepen their faith and live purposeful lives.

Meet Lia Fortier

Founder of Woman Witness. A 16X Award-Winning Bestselling Author and Publisher, I established this platform to amplify the voices of the unheard, advocate for change, and bring back hope and love to those who are discouraged. Are you willing to stand as a Witness for the blessings in your life?

The Power Of Being A Witness

At Women Witness, we believe in the power of storytelling, and as such, we have curated a series of engaging podcast interviews with women from diverse backgrounds. The interviews we feature delve into the personal experiences, struggles, victories, and the role of faith in their lives. We are confident that you will find these conversations both enlightening and encouraging.

In addition to our insightful podcast interviews, we offer writing programs that provide a space for women to express their thoughts, feelings, and experiences. These programs encourage self-reflection, personal growth, and connection within our community. We believe that storytelling through writing is a transformative process that allows women to find their voice and share their unique perspectives.

Woman Witness Believes in Partnership

Furthermore, we offer partnering opportunities for like-minded individuals and organizations who share our vision. We believe in collaboration as a powerful tool for change and growth. If you have a podcast, blog, or any other platform related to women's faith, spirituality, or personal development, we would love to explore potential partnerships and create meaningful content together.
