Open Breed
and
Futurity/Maturity Festival
Show*

7/15/2018

Dear WDHA Futurity/Maturity Participant:

Because of an unforeseen conflict with Sunnyview Expo (Winnebago County Fairgrounds), our scheduled dates for our WDHA Open Breed and Futurity/Maturity Festival show in September **are not available.**

Consequently, the WDHA Board of Directors held an emergency teleconference meeting to discuss the fate of the show.

Although not the best of answers, and with thoughtful consideration of our Futurity/Maturity program participants, it was decided **to move the show dates in 2018 to August 18 & 19.** These dates are available at Sunnyview, and the only obvious conflict affects those who might compete at the Canadian Nationals.

We apologize for the inconvenience this change might cause your show season.

Sincerely,

WDHA Board of Directors
