

Washington Township High School Marching Band

2026

Sponsorship Opportunity

Support the Washington Township High School Marching Band

The Washington Township High School Marching Band is preparing for another exciting season of competitions, performances, football games, and community events. Your sponsorship directly supports our student musicians by helping fund show-ready essentials, competition hosting needs, meals and snacks during rehearsals and events, community performances, and year-end celebrations.

Partnering with the band also gives your business valuable community exposure through home shows, football games, programs, announcements, TwpBands.org, and social media recognition. We appreciate your support as our students proudly represent the Washington Township community.
