

Partnership Opportunities

In these unprecedented times, folks are looking for “something” that brings them together. KPRA sanctioned rodeos and events provide an outlet for communities to come together to enjoy an evening, to put the worries and the stress behind them, even if only for a couple hours. They can enjoy good ole’ fashion entertainment with family, friends, and neighbors. Community events such as these create morale and offer economic benefits to smaller communities that are very much needed right now.

A sponsorship of the KPRA provides a vast amount of visibility to your business that others will lack. KPRA is a trusted name in rodeo and works hard to team up with sponsors that represent the ideals and values of the hard-working cowboy. Your sponsorship not only gives your business marketing power, but your business visibility creates brand loyalty. As well, when you become a KPRA sponsor, your sponsorship, in part, goes back Kansas communities. KPRA utilizes a portion of sponsorship funds to give directly back to local non-profits that embrace cowboy heritage. Our sponsors provide KPRA with the opportunity to promote the sport of rodeo, support local communities, and create dynamic events throughout the region. KPRA uses its influence to increase economic development, to enhance environmental stewardship, to promote animal welfare, and to support real cowboys and cowgirls. Your sponsorship allows KPRA to continue its mission and showcase the rich tradition that is still very much alive throughout Kansas and the Midwest. KPRA recognizes the generosity of our sponsors and knows that with your support, KPRA’s work is possible. We hope that you will consider a sponsorship that positively impacts such a large number of Kansans. Please feel free to choose a sponsorship that fits your needs and enhances your business opportunities. KPRA looks forward to working with you and maintaining a mutually beneficial relationship with you and your business.

Pick from the following specific sponsorships that best fits your needs. If you are unsure of how you want your sponsorship allocated, you are welcome to call the KPRA office and we will work with you or you are welcome to designate it as a general sponsorship and KPRA will allocate your sponsorship where it is needed most.
