## 2026 Kansas Professional Rodeo Association Sanction Contract

THIS AGREEMENT made and entered into this \_\_\_\_\_ day of \_\_\_\_\_ by and between the KANSAS PROFESSIONAL RODEO ASSOCIATION, here-in-after referred to as the "KPRA" and \_\_\_\_\_ here-in-after referred to as the "Committee"

WHEREAS, the Committee desires to sanction a rodeo with KPRA and it is therefore mutually agreed as follows.

1. **For all rodeo committees, the communication between the KPRA office is open all year, and especially during entries for any questions you may have to help us assist you in putting on the best rodeo possible.**
2. The rodeo secretary agrees to withhold 5% of the entry fees (EXCLUDING any added money), and \$11 per entry, to be paid to the KPRA. The Committee or rodeo secretary will furnish the KPRA office an emailed copy of the rodeo results within 24 hours of the completion of the rodeo, and the complete rodeo packet and money owed the KPRA within 4 days after the last performance.
3. The Committee will endeavor to comply with ALL the KPRA rules and regulations as set forth in the official KPRA rule book.
4. The KPRA agrees to furnish a listing of approved rodeos in its official publication.
5. **All contestants who pay entry fees shall be entitled to 1 pass for themselves and 1 for their companion provided that the companion can show a current KPRA Companion Pass, for the performance in which they compete.**
6. The Committee and furnishing stock contractor agree to use the KPRA Central Entry Office.
7. Entries may be limited, but all KPRA members must be guaranteed a chance to enter the rodeo, but, not necessarily during the performance they desire, in order to keep the performances even. Entries need not be limited to KPRA members only. This is done at the option of the stock contractor or Committee.
8. **The Committee will have an AMBULANCE on the grounds for the duration of the rodeo (including slack). FAILURE TO COMPLY WITH THIS RULE WILL RESULT IN A \$500 FINE.**
9. In case of a rodeo cancellation, the person responsible for the cancellation will stand all expenses incurred by the KPRA if the rodeo is cancelled after the books are closed.
10. **The Committee will have a veterinarian on call during the rodeo and slack. A conveyance (sled) must be available and shall be used to remove injured animals from the arena. FAILURE TO COMPLY WITH THIS RULE WILL RESULT IN A \$100 FINE.**
11. All attempts in keeping the ground the same for each performance and slack will be approved by the KPRA judges hired for this KPRA sanctioned rodeo. The barrel racing director and/or alternate may also be included in the discussion regarding the arena ground conditions. A drag is required in the barrel racing after half the number of contestants the performance is set up for ("set up for" being the max. number for the performance outlined in this sanction contract).
