OLD BUSINESS

Awards Update – Buckles - Justin asked what the price per buckle was from Bob Berg, vs. A Cut Above. Leon explained the difference between the Jan., Feb, discount vs. the first of July. We did not do buckles for the pick up men this year or horse of the year, do you we want to go back with buckles this year? Justin says that he loves the picture frame and the picture. Justin thinks the plaques should stay, it means more than a buckle or we could possibly do both in the future. Justin reported that the pickup men that worked for him really like the picture frame and the picture vs. the buckle. We are going to have Tammy go forward on preparing our 2022 finals buckles so we are good and not rushing around during our busy season.

Wrap up on year end. – We need to talk about jackets for our year end next year, pull-overs, vest, etc. With the supply shortage we ran into for 2021, we need to get a head start on our 2022 order.

New rules and rule changes have been published to the website.

Votes on all year end acknowledgements for the year end. Troy thinks that if we can send out a survey to all members on the votes for committees of the year, stock of the year, it would make things go smoother at finals. Heather will send out a survey to all members.
