REPORTS

Secretary Reports – Leon and Heather went over the bank statement from April prior to the meeting and everything looks good. We had a problem getting the account opened for TC’s Memorial Fund. Leon has the paperwork and will send it on to Austin to sign and Austin will send to Heather. Mary has had a few people call her regarding continuing the memorial. Tim will help set up a form and some criteria for the scholarship. Once we have the form set up, we will start advertising the scholarship.

OLD BUSINESS

1. Finalist jackets/sponsorships
Currently secured: Pride Ag - \$4000 (\$5000 total), Tracer Minerals \$3500, Agco \$3500, Louie with Nutrien \$3500, Lewis Motors \$3500, Boothill Casino \$2500 – Total \$20,500

Leon met with John of Purina and Zach with Pride Ag, they are in for \$5000 and are excited to sponsor this year. John was at our finals last year and had a great time.

Leon also met with Tracer Minerals to pick up feed. He visited with them about becoming a sponsor and they jumped on board to be a jacket sponsor.

We have several others that we have feelers out on, hopefully we will hear back soon.

Leon also has sponsorship forms out to a couple wind farms. Heather has submitted sponsorship forms to 24/7 and Hannebaum Grain with request for \$3500.

2. Drive to Zero Sponsorship – We are giving money to the committees based on added money. Heather will help committees with poster and advertising. Also, we need to get flyers together for finals and start getting them posted around Dodge City. Tim suggested printing flyers in Spanish and put them out. How do we get members to tag KPRA and sponsors on our page? Maybe if a few board members start sharing post and adding videos, we can get a trend started.

3. Austin asked how the saddle from last year are coming along. Leon talked to Cody this morning and asked how things were coming. Cody text Leon an update, the Steer Wrestling saddle should be done this week.

NEW BUSINESS

1. Greenburg, KS Full Board meeting – Is everyone on board with having general meeting in Greensburg? We can make sure that directors get up on Friday night or whatever works for them. Melissa will not be able to make the meeting at Greensburg. Austin thinks we should just schedule the meeting and if they can make it, they will make it.
2. Tammy Peterson text Leon last week and asked to step down from the board with the stress of Tom being gone. Leon spoke with Allison Falke and she will replace Tammy for this term.
