Contestant Discussion – Jason Dierks suggested increasing the late entry fee for non-members to \$25, it probably will not completely deter contestants from entering late but may help a bit. Tammy Peterson would like to address turn-outs and med-out, is there anything we can do to prevent the amount we are getting. Dori Hollenbeck mentioned that it can really hurt the payout when several non-members are turn-outs. Discussion on having non-members pay fees when they enter or prior to call backs. We could also have members and non-members keep a card on file to be charged in case of a turn-out.
