

KPRA Meeting Minutes
Directors Meeting, Dodge City Round-up
Friday, Sept. 24, 2021
3:00 PM (CT)

Meeting called to order: Leon open with prayer and meeting was called to order at 3:07 p.m.

Finals Expense Report – Report was passed out to everyone in attendance. Leon read through the report to explain the expenses for finals and the income for each event. The KPRA will put the same added money towards finals this year as we did last year but we might want to think about restructuring the way we disperse it through-out the events. As an example, Leon explained the KPRA is awarding gear bags to the rough stock riders this year, after awards and buckles that leave approx. \$1400 in the pot for the Bareback Rider. After discussion, Tim mentioned that he does not have a problem putting extra funds towards the rough stock added money. Austin moved that the KPRA put \$3000 added money towards the finals rough stock events and \$1500 added money towards the finals timed events. Justin seconded the motion, so passes.
