## *Special Guest Speaker*

John Robinson serves as the first U.S. Missionary to Royal Rangers, a ministry he has lived and breathed for more than forty years. His leadership spans from local church service to national influence, including roles as Children's, Youth, Associate, and Interim Pastor.

Beyond his missionary calling, John is the Territorial Representative for the Riflemen Territory of the FCF, District Director of Alabama, and Outpost Coordinator for Outpost 182. He also served over four years on the Royal Rangers National Executive Committee, helping shape the vision and direction of the ministry nationwide.

John's heart beats for mentoring young men and leaders through Royal Rangers and FCF. His life's mission is clear—to equip, inspire, and send others to fulfill God's call through adventure, discipleship, and service.

## POOL RULES AND REGULATIONS

### Heartland Conference Retreat Center

Thank you for keeping Heartland Conference Retreat Center a smoke and alcohol free environment across the entire grounds of 356 acres.

1. Modest swimwear is required by anyone using the pool and surrounding area. Ladies and girls must wear modest one-piece bathing suits. Men and boys must wear modest swimming trunks. At each swimming session at least one person from each group renting the pool needs to 'monitor' the bathing suits upon entrance to the pool area. Lifeguards should not be distracted by having to monitor the bathing suits.
2. A cover-up (not a beach towel) is to be worn to and from the pool area. The cover-up needs to be worn over bathing suits and swimming trunks anywhere on Heartland property when not at the pool area.
3. Swimming is allowed only when there are lifeguards on duty at the pool.
4. Each hour the lifeguards are required by law to take a 15 minute break. All swimmers must exit the pool during the required breaks.
5. Shoes or sandals must be worn at all times on Heartland property.
6. No food or drinks are allowed inside the fenced area. Food and drinks are permitted outside the pool area.
7. Diving Area: Only those who pass the swimming test and have a valid wristband are permitted in the diving area. Anyone in violation of this rule will lose all pool privileges, possibly for the remainder of the scheduled event. No backward dives or flips. No swimming in the diving area. Swim to the ladder, not under the ropes. Wait for the person in front of you to get to the ladder before diving. Jump off the diving board forward, not to the side.
8. Swim Test Rules: You are required to swim the width of the pool on one side without stopping and swim the front crawl.
9. General Rules: No Running, horseplay, pushing, shoving or pulling people into the pool. No jumping or diving off the sides of the pool at any time. No food or drink inside the pool area. Stay in area of pool where you can touch bottom. No flotation devices that have a hole in the middle, such as inner tubes.
10. Above all – the lifeguard's decision in any matter is final and will not be disputed with the patrons.
