Crucible 2022, "A Fathers Blessing"

I have nothing to compare it to, but feel that it is really lacking and needed in our culture.

Too many boys don't have a father figure and struggle knowing who they are and just trying to figure everything out. Even boys who have fathers in the home I believe struggle, we as fathers don't really know what it is to be a father beyond just providing food and shelter.

I have known about the blessing of a father for a long time as I've heard the Bible stories since my childhood, but thought it was just for Bible times and the Jewish culture. Why we are missing this in our culture is beyond me. It really touched me to call my son out of the darkness and give him my blessing.
