

A LEADERSHIP ADVENTURE

Do you have what it takes to survive the Crucible? Various elements will test and develop your leadership skills. Open to all Adventure and Expedition Rangers and Leaders, this has developed a reputation as a real FUN camp. It is not a test of endurance, rather a measurement of how adroitly and how quickly you can master elements that require both mental and physical acumen.

Your outpost can sleep inside or outside. Provided meals will be indoors. Activities will be both inside and outside, so come prepared. You will need everything on the list, both the personal items and the items listed as “team” items if you want to master the crucible’s challenges.

It will be held at Heartland beginning at 7:30 sharp on February 2nd. You will need to be ready to begin your quest at that time so come early and get settled into your quarters. Registration will open at 5:00. Plan to head back home late afternoon on the 3rd.

As always there will be some new elements and some from the past. All participants will receive a patch for attending BUT those successfully completing it will receive a commemorative coin. This can count as one of the camps for the Saber.

When: February 2nd and 3rd 2018
