Spring Trace

May 4 – May 6

TRACE INFO

It is time once again to make our way back to the beautiful camp at Heartland. We will have three days of adventures and fellowship before we get to enjoy the heat of another Ohio summer. I look forward to seeing all my FCF brothers again. We will also have a chance to welcome our prospective new members going through their Frontier Adventure.

Remember, National Rendezvous is also just a few months away. Plan to get as many there as possible. You can get more information at <http://nationalrendezvous.com/>.

Trace place: Heartland Conference and Retreat Center

Date: 5/4-5/6

Unchartered Outpost Cost: Old Timers \$46.00 / Young Bucks \$35.00

Chartered Outpost Cost: Old Timers \$40.00 / Young Bucks \$30.00

(If you are in college there is no charge)

Those coming to Spring Trace for their Frontier Adventure will have a different charge according to the letter that you receive from the scribe. You need to make sure you arrive on time and are ready to go. It never hurts to be a little early either. Remember to follow the instructions you get in your letter and to bring everything you'll need for your Adventure. Candidates will also be fed by the Traveler's Inn for Saturday's breakfast so make sure you adjust your meal planning accordingly. **All new member applications should be sent to the Scribe (Thomas Hunt hunt8213@yahoo.com) by April 15.**

If you are going to come on Thursday let the scribe know. There will be an additional charge. We will set up in the FCF meadow.

ST. LOUIE CAMP

For those without period correct lodging, do not let that discourage your attendance. A St. Louie Camp will be setup up for those outposts with modern tents.

BLACK POWDER CLASS

We'll also have a Black Powder class on Friday night that will start at 7:30 at the Oakwood Center (Winter Camp Building). You'll only need pen and paper on Friday but come Saturday you'll need your smoke pole along with eye and ear protection as you head out for the range to put into practice what you've learned in class. The cost for the class is \$15. If you're interested in attending send an e-mail with your head count to Mickey Click by April 20 at mickeyclick@sbcglobal.net.

SCOUT SELECTION

We will also conduct a Scout selection at Spring Trace. In order for Young bucks to participate you'll need the scout application and three reference forms completed and at a minimum brought with you to Spring Trace due to the short timeframe of this announcement. It would be better though if you could go ahead and send them to the scribe for review. You can access the forms at the National FCF site: <http://www.nationalfcf.com/FCFForms/tabid/2494/Default.aspx> or with this packet.

ACTIVITIES AND SPECIAL FEATURES

Commanders, all activities have been designed with fun and adventure in mind. On Saturday, the members will be able to participate in many events and activities. Some of our activities will be:

- Black Powder
- Archery
- Seneca Run
- Knife/ Hawk Throw
- Flint/ Steel
- Outfit Judging

We're adding the Knife and Black Powder form which must be signed by a parent. The form states that it's required for participation in the events, we won't be enforcing this part during spring trace. If you're going to shoot however, you'll still need your Black Powder card, so don't forget that. At this point we'll be using it to determine whether the young buck is allowed to sell, trade, give, receive or barter and have in his possession any knife or black powder firearm during trace. I'm sure each of you have been challenged by a young buck about wanting to buy a knife, with this form, you'll know what the parents will allow.

OUTFIT JUDGING FORMS

All outfit judging forms can be found here:

<http://bit.ly/2FdamJm>

If you would like your outfit judged, please download the appropriate form and fill it out. Turn the form in to the judge while wearing your outfit. Just click on the link, select the form you want, and download it.

If you forget to do this, a few extras will be provided on-site on a first come, first serve basis.

ADDITIONAL GAMES/ ACTIVITIES

This weekend is a great chance to unplug and decompress. In a time when most of us spend a lot of time in front of a screen on a daily basis, it is nice to get outdoors and enjoy games, activities, and skills that most of our non-fcf friends have long forgotten about. You are encouraged to taking advantage of this opportunity to impart some knowledge on our young bucks by passing some of these skills on to a younger generation.

This Spring Trace, each Outpost is asked to consider bringing a frontier style game that all can enjoy. This could be as simple as having a checker board set for all to play or providing some potato sacks so the boys can enjoy a 3 legged race. Each Outpost is also encouraged to demonstrate a frontier skill. All Buckskin and Wilderness members have developed a skill that I'm sure the Young Bucks would enjoy learning about.

GROUND RULE/GUIDELINES

FIREWOOD ALERT! No firewood will be provided, bring your own wood. The Ohio Department of Agriculture (ODA) has extended the EAB quarantine statewide, you can now move and sell your cut ash anywhere in Ohio. However, ODA and Division of Forestry recommend that people limit the movement of firewood when they sell or buy it to protect against the spread of all wood-borne pests, including the emerald ash borer and gypsy moth. It is still illegal to move ash trees, parts of ash trees, and hardwood firewood across the state line, due to USDA Department of Agriculture quarantine. (http://www.agri.ohio.gov/public_docs/news/2010/09-08-2010%20EAB.pdf) Downed wood or dead branches from standing trees at HCRC may still be used. **No** cutting of live trees is permitted without permission from the District Commander.

- **Everyone** is to attend the Council Fire service (this is the focus of our trace event) and the closing assembly on Saturday. We don't want anyone to miss the opportunity to hear our speaker.
- Water and Restroom facilities will be available. The Lodge will be off-limits to Rangers unless special circumstances would occur and then a Commander must accompany them.
- You will need to provide for all your meals for your Outpost.
- Anyone walking in the creek is **REQUIRED** to wear shoes. The rocks are slippery and sharp - walk with caution.
- **The Low Ropes Course is OFF LIMITS to ALL Rangers during Spring Trace.** These events are being used by other groups during our Pow Wow and are required to have trained HCRC staff present to run the various events.
- **NO** motor vehicles (cars, trucks, etc...) will be operated in camp other than loading and unloading.
- No ATVs or Quads are allowed per the Heartland Conference Retreat Center (HCRC) regulations. The only exceptions will be those who obtain specific permission directly from the HCRC prior to the camp. If permission is granted - provide a copy of the permission at registration. At the close of Trace on Saturday, your campsite is to be cleaned. It is **very important** that we leave our sites like its original condition or better. You are encouraged to bring grass seed for your fire pit areas to assist in their rapid re-growth.
