Jeremiah is a lifelong Royal Ranger. He has been in Rangers for 34 years and is a Gold Medal of Achievement recipient, a graduate of the Ohio Junior Leadership Training Academy, and a Wilderness member of the FCF. Jeremiah is married to Heather and together they served as youth pastors and lead pastors for over 14 years in the Ohio Ministry Network. In addition to local church ministry, Jeremiah served in various area of leadership within the Royal Rangers ministry. Together, they have 2 incredible boys with an awesome passion for God, Scotty and Robbie. In June 2016 Jeremiah, Heather and the boys were became fully appointed world missionaries with the Assemblies of God.

The Hembree Crew are missionaries with Royal Rangers International and are called to help mobilize & equip the international church to mentor the next generation for Jesus Christ. For the last year, The Hembree Crew has been working in the nation of Curacao to help strengthen and establish Rangers there and throughout the region.

Also, would it be possible to request that each outpost bring with them a few permanent markers with them to Friday night council fire for use in the service?

BE THE ONE!

WILL YOU IGNITE A MENTORING MOVEMENT
FOR THE NEXT GENERATION IN NEPAL?

IgniteEurasia.RRI.world

Visit the project website for prayer resources, fundraising ideas, forms, ministry opportunities, and to donate online.

Nepal is one of Eurasia's least reached nations. With a population of 29 million, 84% are Hindu. Less than 2% claim to be Christ-followers.

In this context, Royal Rangers International is being asked by national church leaders and missionaries to forge a new future for Nepal by starting a mentoring movement to reach children and youth.

The task will not be easy! Although Nepal offers its citizens religious freedom, nationalism allied with Hinduism creates social structures designed to isolate its citizens from outside influences – including and especially the Gospel.

Church leaders believe Royal Rangers International's unique covenant, scouting approach to evangelism and discipleship will enable church families to penetrate the veil.

The civil wars of the recent past that divided the population and inflicted untold misery on its people are over and the church is poised to thrive. Now is the time to write a new story for Nepal by reaching the next generation.

It takes only one spark to start a roaring blaze. Will you "be the one" to ignite a mentoring movement for the next generation in Nepal?

"With God, all things are possible!"
MARK 10:27

Help to create vital evangelism and discipleship resources, develop mentors, and reach the next generation in Nepal.

YES!

I want to "BE THE ONE" to ignite a mentoring movement in Nepal by helping to reach the first 3,500 kids.

Our OH RR Master's Toolbox goal this year is \$13,000. Harvest Ridge has pledged an additional \$2,000.

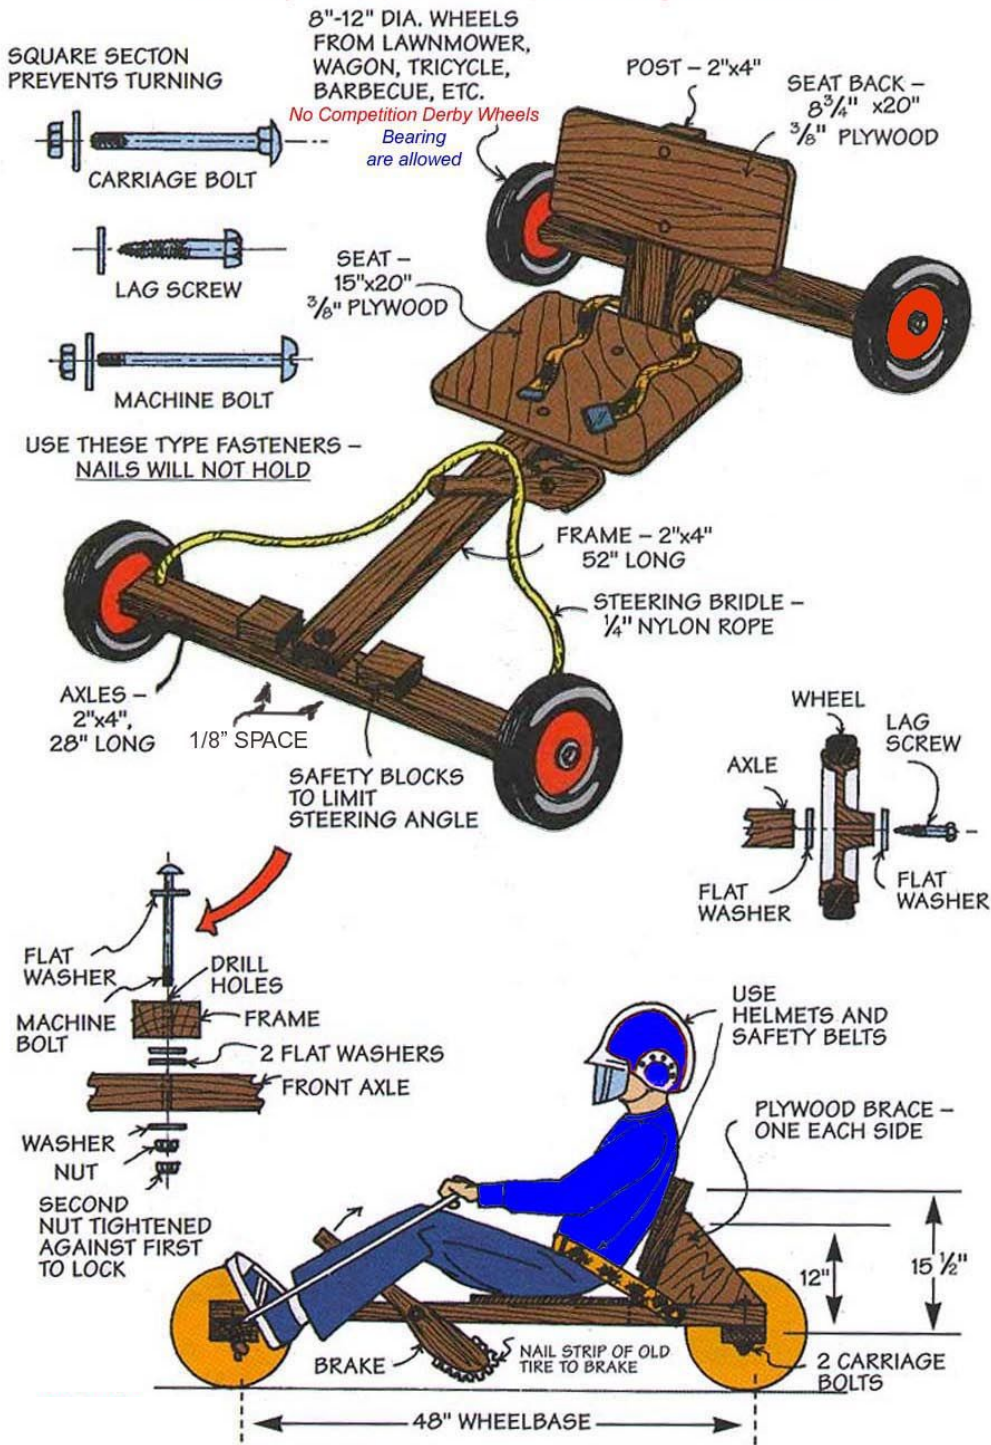

I would like for us to set a goal for Pow Wow and also promote it throughout the year.

My thought for Pow Wow as an incentive for our Rangers is to shave hair off of John Hembree , Gator and Kodiak. So far Gator and Kodiak have agreed.

John Wilson, Missionary with Royal Rangers International and Eurasia National Commander, will be with us for Pow Wow, helping with the project.

Plan for Race Car Use a helmet and safety belt.

This is only a sample not a required design. See Rules.

Detailed Instructions:

If you wish to build the cubmobile illustrated, these are step by step instructions.

Have Fun !!!

- 1 Cut one 2 X 4 52" for main frame.
- 2 Cut two 2 X 4's 28" for axles.
- 3 Make an "X" on each end of each axle, and drill a hole at each "X" intersect, 6" deep using a hand electric drill (5/16" wood bit works well).
- 4 On front axle 2 X 4:
 - a Drill a 5/16" hole on each end near the back for the rope.
 - b Drill a 3/8" hole at center of 2 X 4.
 - c Attach (2) 2 X 4 blocks to front axle, on either side, 2-1/8" from center hole, use glue and #6 X 2" screws. This will limit steering.
- 1 At front of main frame 2 X 4, drill a 3/8" hole (center 1-5/8" from front).
- 2 Attach front axle to frame using 3/8" X 4" hex bolt, 4 washers, and lock nut or 2 nuts. (Tighten enough to allow steering).
- 3 Align back axle 2 X 4 at right angle with back of main frame 2 X 4, clamp if possible. Drill (2) 5/16" holes through axle and main frame. Attach main frame to back axle using 2 carriage bolts, 2 washers, 2 lock washers, and 2 nuts. If this is to be a permanent attachment, glue also.
- 4 Cut out seat and back rest from plywood.
- 5 Cut one 2 X 4 12-14" in length for back rest support. (Bevel slightly about 5 degrees if possible).
- 6 Attach back rest support (bevel end down) to main frame using glue and 2 screws (#8...2-1/2") at an angle. Position of this support depends on size of boy, have scout sit on 2 X 4 frame to estimate position.
- 7 Cut out 2 triangular shaped pieces of plywood and attach to either side of backrest support and main frame with glue and screws (#6 1-1/2"). Drilling small pilot holes helps.
- 8 Attach seat and back rest using glue and screws (#6...1-1/2").
- 9 Cut 2 X 2 surveyor's stake to 14-16" at an angle, cover end with rubber using nails, drill a 3/8" hole through stake at location it will meet main frame.
- 10 Drill hole 5/16" into main frame at point to attach brake. Mount brake using 3/8" X 4" lag screw and washer to side of main frame.
- 11 Drill and attach seat belt with fasteners of choice.

-
- 12 Attach 6-7' of 1/4" rope to front axle as shown.
 - 13 Attach wheels using washers and 3/8" X 6" lag screws. (Socket wrench helps).

Supplies and Tools:

| Quantity | Description | Tools you will need |
|----------|---|-------------------------|
| 4 | 8" wheels | Power drill |
| 1 | 2'X4' 3/8" or 1/2" plywood | 3/8" and 5/16" wood bit |
| 2 | 8' 2X4's | Wrenches or socket set |
| 1 | 2"X2" surveyor's stake | Screwdriver |
| 4 | 3/8" X 6" lag screws (for wheels) | Tape measurer |
| 1 | 3/8" X 4" hex bolt (for front axle) | Wood glue |
| 1 | 3/8" X 4" lag screw (for brake) | Power or hand saw |
| 2 | 5/16" X 4" carriage bolts (for rear axle) | |
| 13 | 3/8" washers | |
| 1 | 3/8" lock nut | |
| 2 | 5/16" washers | |
| 2 | 5/16" lock washers | |
| 2 | 5/16" nuts | |
| 32 | #6 X 1 1/2" wood screws | |
| 4 | #6 X 2" wood screws | |
| 1 | 6-7' 1/4" rope | |
| 1 | seat belt (from salvage yard) | |
| 1 | 2" X6" piece of rubber (from old tire) | |

Cost

The cost for each person will be **\$38.00** per person, which covers camp fees, insurance, Pow Wow patch, trophies, and guest speaker. The cost for an unchartered person will be **\$45.00**. If you have 2 or more boys from the same family, we want to discount their registration. ***There will be a \$5.00 discount for the 2nd brother and a \$10.00 discount for the 3rd brother.*** Fees can pile up fast when there's several in a family and we want all boys to be able to attend.

POOL RULES AND REGULATIONS

Heartland Conference Retreat Center

Thank you for keeping Heartland Conference Retreat Center a smoke and alcohol free environment across the entire grounds of 356 acres.

- 1. Modest swimwear is required by anyone using the pool and surrounding area. Ladies and girls must wear modest one-piece bathing suits. Men and boys must wear modest swimming trunks. At each swimming session at least one person from each group renting the pool needs to 'monitor' the bathing suits upon entrance to the pool area. Lifeguards should not be distracted by having to monitor the bathing suits.**
- 2. A cover-up (not a beach towel) is to be worn to and from the pool area. The cover-up needs to be worn over bathing suits and swimming trunks anywhere on Heartland property when not at the pool area.**
- 3. Swimming is allowed only when there are lifeguards on duty at the pool.**
- 4. Each hour the lifeguards are required by law to take a 15 minute break. All swimmers must exit the pool during the required breaks.**
- 5. Shoes or sandals must be worn at all times on Heartland property.**
- 6. No food or drinks are allowed inside the fenced area. Food and drinks are permitted outside the pool area.**
- 7. Diving Area: Only those who pass the swimming test and have a valid wristband are permitted in the diving area. Anyone in violation of this rule will lose all pool privileges, possibly for the remainder of the scheduled event. No backward dives or flips. No swimming in the diving area. Swim to the ladder, not under the ropes. Wait for the person in front of you to get to the ladder before diving. Jump off the diving board forward, not to the side.**
- 8. Swim Test Rules: You are required to swim the width of the pool on one side without stopping and swim the front crawl.**
- 9. General Rules: No Running, horseplay, pushing, shoving or pulling people into the pool. No jumping or diving off the sides of the pool at any time. No food or drink inside the pool area. Stay in area of pool where you can touch bottom. No flotation devises that have a hole in the middle, such as inner tubes.**
- 10. Above all – the lifeguard's decision in any matter is final and will not be disputed with the patrons.**
