

Commanders,

Spring is in the air and I hope to be fellowshiping around a campfire with many of you soon. The Coureur de Bois Rendezvous will be here in just a few short weeks. Watch the Ohio website for all of the details. I have just returned from the Royal Ranger Lead Conference, and want to update you on some FCF changes that were announced. The requirements for a boy to join FCF and to advance to Buckskin and Wilderness have been changed. These changes have been updated on the applications on the National FCF website. Please look at these changes and encourage your boys to join and advance in FCF.

I also want remind you that if you have any boys interested in being the FCF scout, they need to complete the application form and get it in asap. Being the FCF scout is an excellent first step to learning about leadership. The scout selection will take place at the rendezvous, so encourage the boys to get their applications in and make plans to attend.

Check the Ohio Ranger website for the rendezvous packet with all the details for a great weekend of fun and fellowship.

Bill (Black Wolf) Black

Ohio FCF President
