General Camp Information

Arrival: Campers will strive to clear vehicles from the camp area in a timely manner. Upon arrival campers will unload gear, move vehicles to designated parking areas, and then return to camp for camp setup. All campers are expected to remove vehicles from camp within 1 ½ hours after arrival. This is for the convenience of all campers and will ensure that everyone has an ample opportunity to get settled into camp without being hindered by an excessive amount of vehicles. Vehicles will not be allowed in camp during the event. This will help add to the authenticity of the event as we will be taking pictures periodically. Thank you for your cooperation.

Departure: After camp, please have all gear ready to load into your vehicle prior to bringing your vehicle into camp. Quickly load and take your vehicle back to the parking area in order to allow space for all campers to load their gear.

Closing: Rendezvous will officially end at the closing ceremony after the Sunday morning service. Everyone will need to plan on vacating the campground before the end of the day.

Water/Ice: Available onsite. Ice is \$3/10 lb bag.

Firewood: Campers cannot bring their own firewood. Wood from out of state could possibly introduce disease to Tennessee trees. Tennessee State Parks require the purchase of approved wood. Some local firewood may be available. The planning committee is working this issue and will ensure the least impact for the camper.

Visitors: The occurrence of visitors may be greater this rendezvous based on where we are holding the event. During daylight hours please make every attempt at keeping things as authentic as possible. Keep all plastic and non-period items hidden at all times. Please help make their experience be a memorable one.

Early Set Up: Early set up is available starting Monday, October 14, at an additional cost (\$5/person or \$10/tent (up to 4 in a tent) per night). Please email Herb Gray - sassafras.scdrr@gmail.com if you plan to arrive prior to October 17.

MISSIONS AUCTION: Please bring donation items and lots of money for the Missions Auction. We want to be a blessing in a big way. Auction proceeds will go to Master's Toolbox Tabernacle Project to help plant new churches in Africa.
