### SICK POLICY

We understand this time of the year children are going to get sick, have runny noses and coughs, this is something we just cannot get rid of during these times. Our policy now is if your child has a runny nose, cough or fever please take them to the doctor to get checked out. Children will not be able to attend without a doctor's note. We can except your child if the doctor has approved it is a common cold or cough and you're doing everything to keep it under control. If your child has a fever, they are to stay home fever free for a full 24 hours. We understand that we cannot predict when children are sick or are not feeling well. Star Light Learning Academy is going to do everything in our power to make sure that the center is clean sanitized for the health and well-being of your child.
