2023

Valentine's Day Party
February 14th
Snack Time
Please sign up to bring treats
and Valentine's day cards.

Global Focus: France

This month we will focus on learning all about French foods, clothing, and customs.

Academic Focus:

Color: Red Purple, Blue

Shape: Heart

Number: 22,23,24

Letter: T, U, V, W

For the month of February, Star Light Students will learn about the character word **COMPASSION** -- caring enough to do something about someone else's need.

"COMPASSION FOR
OTHERS BEGINS
WITH KINDNESS TO
OURSELVES."

PAYMENTS ARE DUE FRIDAYS!!!

PLEASE update your phone numbers and address with front office for NEW daily kid-reports

Star Light Learning Academy

Please join us in our Global Focus. Every month we focus on a different place around the world.

SICK POLICY

We understand this time of the year children are going to get sick, have runny noses and coughs, this is something we just cannot get rid of during these times. Our policy now is if your child has a runny nose, cough or fever please take them to the doctor to get checked out. Children will not be able to attend without a doctor's note. We can except your child if the doctor has approved it is a common cold or cough and you're doing everything to keep it under control. If your child has a fever, they are to stay home fever free for a full 24 hours. We understand that we cannot predict when children are sick or are not feeling well. Star Light Learning Academy is going to do everything in our power to make sure that the center is clean sanitized for the health and well-being of your child. Mask are required all parents and children!

We are closed
February 4th
2023. For
repainting of
the center.

HAPPY BIRTHDAY PRINCESS

Star Light Learning Academy Children, Staff and Parents would all like to wish you a wonderful and blessed birthday! Thank you for all that you do! February 3rd join us for fun and Cupcakes!

The recipe for this Valentine slime uses one of our most basic slime recipes which is clear glue or white glue, water, baking soda, and saline solution. Now if you don't want to use saline solution, you can absolutely test out one of our other basic recipes using liquid starch or borax powder. We have tested all three recipes with equal success!
