Monthly Theme: Health & Safety

This month we will be talking about people that keep us safe in our community and personal hygiene routines that keep us healthy.

Ireland

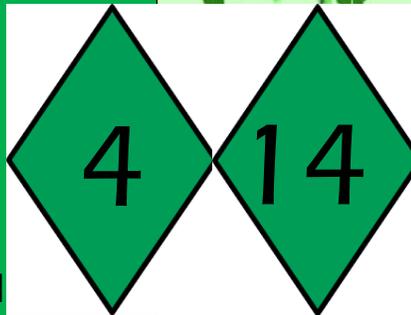

Global Focus: Ireland

In honor of St. Patrick's Day happening on the 17th of this month, we will be studying the cultures and customs of the Irish.

Academic Focus:

Color- Green
Shape- Diamond
Numbers- 4 & 14
Letters- S, L & A
Opposites- Good & Bad

Character Education: Sharing

It is essential to teach children about sharing at a young age. Sharing is about more than just taking turns. It's about dividing resources fairly. The process of sharing also fosters early problem-solving skills in our young ones. Make sure to offer opportunities for your child to learn sharing skills at home.

SICK POLICY

We understand this time of the year children are going to get sick, have runny noses and coughs, this is something we just cannot get rid of during these times. Our policy now is if your child has a runny nose, cough or fever please take them to the doctor to get checked out. Children will not be able to attend without a doctor's note. We can except your child if the doctor has approved it is a common cold or cough and you're doing everything to keep it under control. If your child has a fever, they are to stay home fever free for a full 24 hours. We understand that we cannot predict when children are sick or are not feeling we ll. Star Light Learning Academy is going to do everything in our power to make sure that the center is clean sanitized for the health and well-being of your child. Mask are required all parents and children!
