### SICK POLICY

We understand this time of the  
year children are going to get sick,  
have runny noses and coughs, this is  
something we just cannot get rid of  
during these times. Our policy  
now is if your child has a runny nose,  
cough or fever please take them to  
the doctor to get checked out.  
Children will not be able to attend  
without a doctor's note. We can  
except your child if the doctor has  
approved it is a common cold or  
cough and you're doing everything to  
keep it under control. If your child  
has a fever, they are to stay home  
fever free for a full 24 hours. We  
understand that we cannot predict  
when children are sick or are not  
feeling well. Star Light Learning  
Academy is going to do everything in  
our power to make sure that the  
center is clean sanitized for the  
health and well-being of your child.
