### ABOUT ME

When deciding to start Studebaker Paralegal Services, LLC, I wanted to make sure that I could offer law firms and the solo practitioner affordable prices while not sacrificing the quality of work being offered and maintaining a high level of confidentiality all while staying within the client's legal budget. I am very excited to say, we are in a position to do just that, with over 20 years of experience. We are here to help find the answers and create the solutions everyone needs.

Don't let yourself get buried in details. Contact us instead. Find out how our services can help you get on the path you need and desire.
